

To Whom it May Concern:

Re: Fabtec Machine Tool Solutions Inc.

We're happy to share that after more than 25 years, Raj Bakshi of Fabtec Machine Tool Solutions Inc. is retiring to spend quality time with his family.

We thank Raj for his commitment, knowledge, friendly customer care, and positive attitude — these qualities have set a high bar for the company going forward.

Raj's partner Alex Christie will continue to provide support for Fabtec customers and ensure that the transition/relocation of the office to Stoney Creek is a success.

Please join us in wishing Raj a relaxing and well-deserved retirement.
